

GIVING TOGETHER FOR PAUL'S PLACE

MISSION

Paul's Place is a catalyst and leader for change, improving the quality of life in the Southwest Baltimore communities. Paul's Place provides programs, services, and support that strengthen individuals and families, fostering hope, personal dignity, and growth.

OUR IMPACT IN SOUTHWEST BALTIMORE

Paul's Place is a source of hope for individuals struggling daily with poverty, homelessness, unemployment, inadequate education, and addiction. More than 3,500 community members each year find a combination of programs and services unmatched by any other provider in our area to help them overcome extraordinary challenges and move toward self-sufficiency.

- 98% of our after-school students matriculated to the next grade level.
- 65% of Hot Lunch guests were connected to other programs, services, and resources at Paul's Place or in the local community.
- 88% of Nurses' Clinic patients were connected to a primary care physician for consistent and coordinated health care.
- 90% of adults engaged in case management services reported an increase in self-sufficiency.

JOIN THE CIRCLE OF HOPE

Be a source of hope for families in Southwest Baltimore! The Paul's Place Circle of Hope is a team of individuals who are committed to addressing the challenges in Baltimore that led to the unrest in April 2015 and continue to burden families in the city.

Every day, more than 400 individuals turn to Paul's Place for immediate relief and the resources and support to find long-term solutions. Paul's Place offers them opportunities to change their lives in profound ways through education, job-readiness, stable housing, addiction recovery, and more.

Each person has unique needs. Our caring and knowledgeable case management team tailors the approach to meet our guests where they are and guide them toward self-sufficiency. This intensive process requires multiple one-on-one coaching sessions over several months to a year or more – and significant financial investment by Paul's Place to offer free of charge.

Circle of Hope members join us in helping families find hope and resiliency. These leading donors are dedicated to providing a consistent base of unrestricted support for Paul's Place with **a pledge of \$1,200 (or more) per year – or \$100 per month – for three years.** Each \$1,200 in support equates to 12 job coaching sessions for one adult, a security deposit for one family, or 12 case management sessions.
